Only wood provided by the resort is burned in campfire sites. We provide free to our guests campfire wood which is typically sufficient for one evening of use.

**TRAIL RIDES:** When time permits and conditions allow, we give trail rides with our minibus on our 13 miles of trails on the resort property at no charge to resort guests.

**DISC GOLF:** We have a disc golf course and provide discs for use at no charge to resort guests.

Our lodge and recreation/conference center are available to rent by guests for private meetings and events.

There are several independent guides in our area for fishing, hunting, etc.

**The rate schedules do not reflect state sales tax, which must be charged on rentals. Rates and policies are subject to change. Most major charge cards are accepted.**

**We ask guests not to bring personal watercraft (e.g., Jet Skis) and to keep all motorized recreational land vehicles other than snowmobiles, such as ATVs and motorcycles/scooters, on a trailer while on resort property.**

**We also ask guests to adhere to the DNR guidelines for preventing the spread of invasive species into our lakes.**
